

# The Wordpress Dashboard

- Open [Ole-Optica.com/login](http://Ole-Optica.com/login) in your browser.

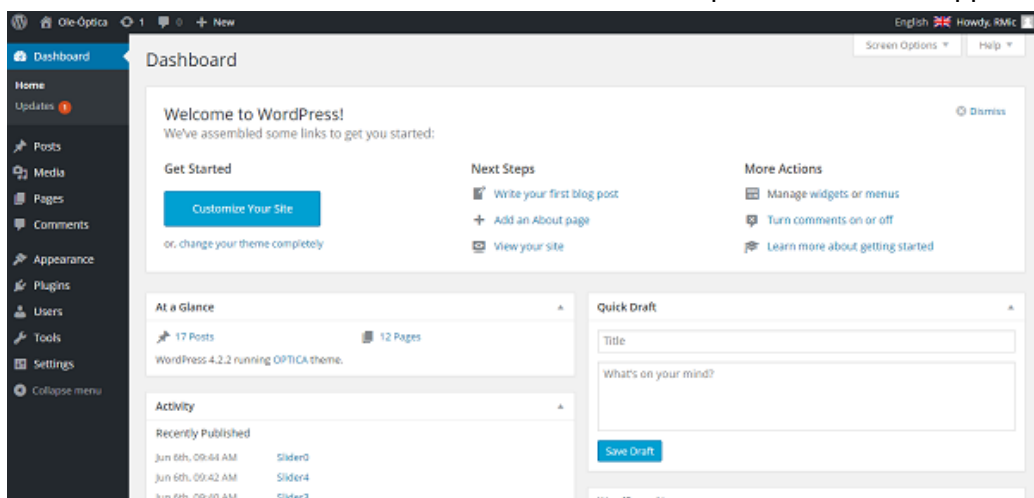

If *English* is not chosen as the default language the following error-page shows:

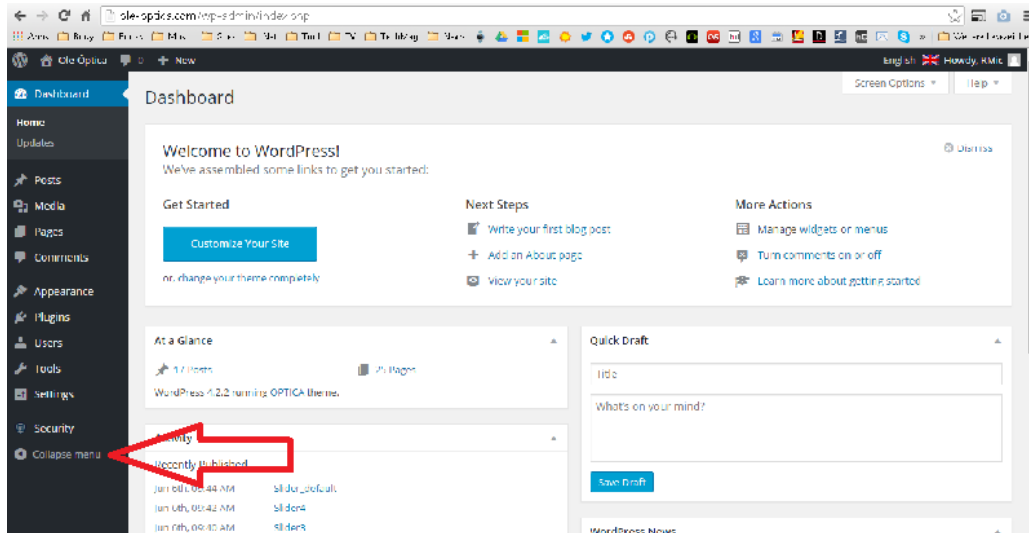

- Type your username & password.
- Click on the blue *Log In* button.
- In case you have forgotten your password, please select the corresponding link.

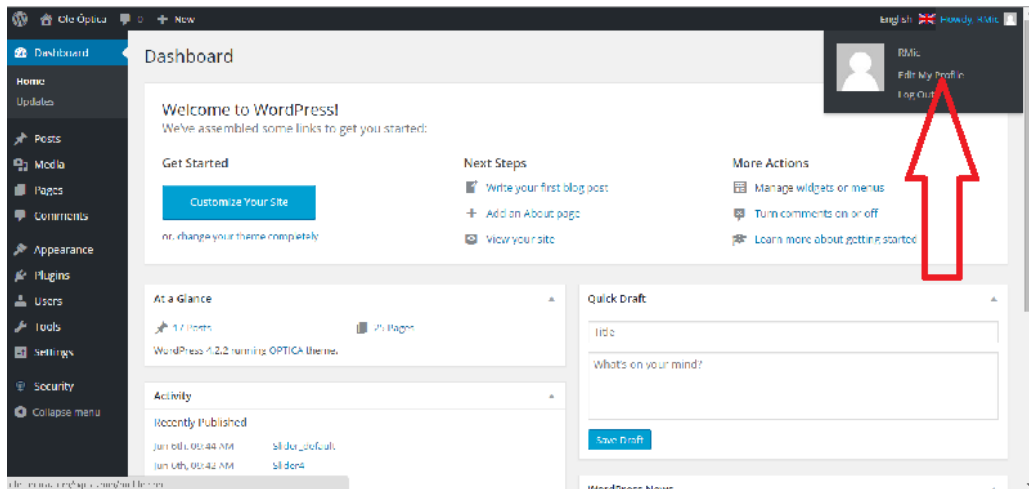

- When the correct user-data has been entered the Wordpress Dashboard appears:

- To fold/unfold the Dashboard menu, click on *Collapse Menu* in the left hand sidebar

- To edit your user-account data, move the mouse over your username in the left/top corner and click on *Edit My Profile*.

- to open your homepage, move the mouse over the homepage name in the top/right corner and click on *Visit Site*.
